## **BULLET PROOF ARMoured For CIVILIANS , Defence - Army & POLICE**

A hybrid security DVR is designed specifically for those situations where you need to deploy your upgrade is necessary. Typically there are existing analog CCTV security cameras installed but the n

## Do It Yourself Kit

The DVR kit is designed for family, small supermarket, office, factory, clinic, warehouse, internet café, entertainment places, store, hotel Etc. All connectors were completely welded, as long as user is familiar with the connection of common VCD, the installation can be finished within 10-20 minutes. Even you don't know anything about the electronics, the installation could be finished easily in 2 hours with simple tools and instruction from manual.

**Make your own kit by selecting combination of  
850 TVL Dome IR or Weatherproof IR Camera**  
(Installation can be done by just 1 RJ45 patch cord)

**850 TVL Dome IR Camera**  
1/3" HDIS Sensor  
850 TV Lines of Horizontal Resolution  
0 Lux/F1.2 Min. Illumination (IR ON)  
3.6 mm Fixed Lens  
36 IR LED (10 Meters IR Range)

**850 TVL Weatherproof Camera 20m**  
1/3" HDIS Sensor  
850 TV Lines of Horizontal Resolution  
0 Lux/F1.2 Min. Illumination (IR ON)  
4 mm Fixed Lens  
24 IR LED (20 Meters IR Range)

### S-4SDVR

**4 Channel DVR KIT**  
H.264 Compression  
Cloud technology supported  
ONVIF protocol supported  
ARSP feature supported  
Support all kind of mobile monitor  
4 Channel Video  
4 Channel Audio supported

### S-8SDVR

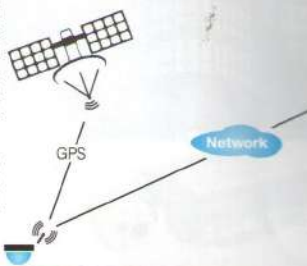

**8 Channel DVR KIT**  
H.264 Compression  
Cloud technology supported  
ONVIF protocol supported  
ARSP feature supported  
Support all kind of mobile monitor  
8 Channel Video
